# MICHAL HERIBAN

## Quarantine paintings

Exhibition opening: **August 10, 2020 (Monday) at 6.00 pm.**,  
**Western terrace of Bratislava Castle.**

*„My feet are my working tool, my whole body feeds me, but my feet keep me firm on the ground. Finally they got some rest, they needed it, they deserved it, a little silence.”*

*These are the words of an extraordinary artist and performer of contemporary dance. As a student, Michal Heriban introduced the art that appeals to people. Body movement, sophistication, the power of painterly expression, joy and foremost originality. He is one of the extraordinary talents of today. See the beauty and uniqueness of his painting for yourself.*

This project is curated by  
**PhDr. Ľuboslav Moza, PhD.**

The atmosphere of the exhibition will be underlined by a concert of the **Longital** band. Songs dedicated to silence and their unique pace will complete the atmosphere of the images.
